Project goal: to enhance the Government curriculum with resources for voter education and a more inquiry- and project-based approach to enhance youth civic engagement

Details:

Professional learning community of government teachers from across Yolo County:

- Providing a supportive environment
- Giving feedback on curricular resources
- Implementing inquiry- and project-based instruction
- Completing surveys for research
- Teaching a lesson activity or project from program, collecting, sharing, and discussing student work for instructional improvement
- Earning \$500 stipend for school-year program.

Summer 3-day Seminar will be available in June for an additional \$500. Details to come.

School-Year Schedule:

Mondays 3:30-5:30

October 19: Introductions

November 16: Aftermath of the Election
& Content Knowledge
